

SPIRITUAL TRANSACTION ITEMS

An uncoerced agreement between two willing parties in the presence of two or more witnesses. It is binding in the spiritual, emotional and physical realms. The party of the first part is God; party of the second part is you; witnessed by the Son and Holy Spirit.

A) Prayer of confession (to receive forgiveness):

Lord, I confess that I (list offenses) and that these offenses are sin against You. I am sorry, and ask that You forgive me from these sins. Amen.

The role of witness:

Lord, I stand as witness to this spiritual transaction: that (name) has confessed these offenses and asked for Your mercy and forgiveness. I declare by Your promise that you forgive him from this sin and cleanse him from all unrighteousness in this matter. Amen.

B) Prayer of release (to forgive another):

Lord, I confess that (name) sinned against me with these offenses (list them). I choose, by my own free will, to release (name) from this debt in the past, present and future. As far as I am concerned, (name) owes me nothing in this matter any longer. Amen.

The role of witness:

Lord, I stand as witness to this spiritual transaction: that (name) has confessed these offenses done against him by (name). He has chosen to release (name) of these offenses of his own free will, and I declare that he has forgiven from his heart. Amen.

C) Receive Truth:

Lord, I confess that I believed this to be true: (what you believed to be true that caused you to respond in anger). I surrender this belief to You, and ask You to reveal Your truth to me in this matter.

D) Other Spiritual Transactions:

Generational curse:

I choose to forgive the sins of fathers, grandfathers, and great-grandfathers. I declare the sin of this curse to be forgiven, that there is no legal ground for it to be passed from one generation to another, and that this generational curse is now null and void in the sight of God and man. Amen.

Authority over spirits:

Spirit of fear (anger, rebellion, rejection, etc.), you are not welcome here. I command you to leave in the name of Jesus and never return.

Rash oath or vow:

Lord God, I am aware that I made a rash promise to myself (oath) or another (vow) when I swore (state oath or vow). I choose to appeal to You as the Higher Authority, and ask that you break this oath or vow and declare it null and void. Amen.
